

Cook's School-Agers Enjoy a Visit with Justin Trudeau on August 11, 2010

Justin Trudeau took time out of his busy schedule to enjoy some time with our delighted School-Age group and Staff at the Lion's Centre in Cobourg. Mr. Trudeau was being accompanied to various Northumberland County stops by Kim Rudd (co-founder of Cook's School Day Care Inc. and Northumberland Quinte West Federal Liberal Candidate).

The gang was invited to the Lion's Centre for the afternoon to help the United Way fill backpacks with school supplies for Northumberland children in need for the coming school year. The group was thrilled to have been able to fill 300 of the 1500 packs.

Many thanks to Kim for inviting us to be a part of this special event. Although Kim officially retired from Cook's School Day Care Inc. a few years ago, she remains a great friend to the Staff and supporter of this Organization and quality early learning and child care!

Also, many thanks are also extended to Lynda Kay of the United Way for allowing our gang to take part in filling some of the backpacks that will be made available to students from Kindergarten to Grade 12.

Mr. Trudeau made sure to tell the group that what they were doing does make a difference – every person can make a difference!
